

## **College magazine ‘Karambuj’**

### **The context:**

It is great pleasure of Shree K. R. Katara Arts College, Shamlaji to publish College magazine ‘Karambuj’ every year. It is the literary and social magazine of the college in which students, college teachers and other literary persons contribute their creations. ‘Karambuj’ has great educative value. It encourages the students to think over particular topic and write, thus it helps them in developing their writing skill and talent. ‘Karambuj’ helps the students in developing their power of thinking and strengthen their imaginations.

In the beginning of the academic session our college organizes the exhibition of previous Karambuj magazines and encourages the students to express their creativity on this platform. After reading the magazine the students are inspired to think. Our College magazine provides a scope for writing their articles, poems, essays, stories etc. independently. ‘Karambuj’ facilitates them to meet their creations as good as possible.

Karambuj is an inspiration for students who have some ideas and thoughts but do not have opportunity to publish their creations. Its educational value is high and the writers owe to lot to the college magazine. ‘Karambuj’ is called a training ground for the students to express their thoughts. It establishes a link between the new and the old students. The copy of magazine serves as a reminiscence of college days for ex- students. The

college magazine instills a sort of competitive spirit in students through articles on various topics.

### **Objectives of the practice:**

1. To give opportunity to the students for expressing their own creative ideas and thoughts in written form.
2. To inspire the students for creative taste and habit of study this links the students in their proper study.
3. To train the students for better utilization in their free time with concept of time management.
4. To develop the sense of loyalty towards the college and feel pride for achievements.
5. To develop the self expression in the students and honor for college.
6. To improve reading and writing habits of students and through that build their character and personality.

### **The Practice:**

Every year before Annual day celebration our college publishes the magazine 'Karambuj'. In the beginning of the academic session students are motivated by the teachers to write something as poems, stories, articles, short essays etc. they submit it to the teacher in-charge of college magazine. It is edited by the Karambuj in-charge, editorial board and New & senior students of the college. The students of all classes are

invited to contribute their creations as their own contribution to the college magazine. The teacher-in –charge is assisted by the students for magazine committee of the college. The editorial board consists - teacher in-charge, editor, co-editor and students’ representative both boy and girl. The teacher in-charge collects the creations from the students of different classes; the editorial board decides to publish the best creations collected from the students. The creations of the respective teacher published in magazine provide useful information to the students.

### **Impact of the practice**

Our college magazine ‘Karambuj’ develop the habit of writing and inspires the students to express their innovations. One cannot write something without clear judgment, good knowledge and imaginations.

During the last five year ‘Karambuj’ is continuously published before the celebration of Annual day and cultural events. Our college is succeeded in inculcating reading and writing habits among the students. So many students of the college have achieved a lot from their practice. Many students have developed the interest of writing and their creations are published in other magazines and newspaper also.
